

**PHISHING ALERT**  
**BE AWARE OF FRAUDULENT E-MAILS AND TELEPHONE CALLS**

Recently, many area financial institutions customers and non-customers have received e-mails and telephone calls requesting them to verify or re-submit their personal or account information by calling a telephone number or clicking on a link in the e-mail.

These requests appear to be legitimate but are in fact FRAUDULENT. If you receive a request for personal or account information from what appears to be from Malvern Federal Savings Bank do not respond to the request.

Malvern Federal Savings Bank will never request that you provide us with your account passwords or personal identification numbers (pin). If you receive a request for any type of information by mail, e-mail or telephone, you are encouraged to contact your local branch office to confirm the contents of the message.

If you have already responded to a request for personal or account information, please contact us immediately at 610-644-9400.
